Our Founder

Late Shri Vidya Sagar Dewan
(09.08.1947 - 19.03.2004)

An industrialist, Educationist and Philanthropist.
It is his vision that we cherish.

“If everyone is moving forward together, then success takes care of itself.”

Late Shri Vidya Sagar Dewan was one of the leading Industrialist and Educationist of the area. He was married to Mrs. Mamta Dewan, a staunch socialist and philanthropist. The couple with a vision to emphasize adherence to excellence, ethics and values in the educational institutions offered education at affordable cost beneath the umbrella of Dewan Daulat Ram Education Foundation. The inspiration of a renowned connoisseur and patron initiated a school which under his leadership spurted into a group of schools and professional education institutions imparting education, empowering the student-teacher fraternity and developing ethically global professionals, leaders and entrepreneurs striving for sustainability.

Chairman's Vision

It is with a great sense of pride, I welcome you to Dewan V.S. Group of Institutions! It is my honor and pleasure to write a few lines about this prestigious Educational Institution on completion of two decades of educational excellence. I congratulate all the departments on having made a significant impact on the lives of so many bright minds and inspired so many of our community leaders to support the cause of education. Unlike many other educational institutes we had a small and humble beginning. Today the Institution is one of Uttar Pradesh's pioneering Management & Technical Education Institution. We aim to cater to the educational needs providing accessible and affordable education to all as envisioned by its Founder Shri Vidya Sagar Dewan.

I wish everyone associated with the Group, God's abundant blessings for manifold success in the years to come.
